Dear MedStar and Trammell Crow Representatives:

I hope that everyone had a great weekend, and I look forward to seeing some of you at our follow-up meeting this afternoon.

I am bringing physical copies of the Party Status Request Form for the June 8th hearing that I filed on behalf of GUSA to the meeting this afternoon, but I also wanted to email you a digital copy for your records which is attached in this email.

Though it is not a binding decision, GUSA filed as a proponent of the plan because we are hopeful that you have been able to make progress since our last meeting in finding ways to address the student concerns in regards to noise levels and times of day.

I look forward to discussing this more at the meeting.

Best,

Kamar
