Dear Zoning Commission,

I support the Ladybird development within American University Park. My husband and I have lived in the Spring Valley neighborhood for almost 30 years, and we want nothing more than to stay in our beloved Ward 3. The Ladybird development would give us an opportunity to downsize and more importantly, it would bring back the grocery store that our neighborhood has been missing for years.

Lastly, with the recent new developments and this future project our neighborhood would become a more walkable community. I ask the Ward 3 Advisory Neighborhood Commission to approve The Ladybird proposal.

Sincerely, JoAnn and George Calomiris
