Dear Commissioners,

As a Spring Valley resident homeowner, I am writing to express my support for the proposed Lady Bird development project. I believe that the current project proposal, which would include a much-desired full-service grocery store, is far preferable to a matter-of-right/residential-only development, and I urge the Zoning Commission to approve Valor’s design-review application. My family (along with many others we have spoken to) would love to have a grocery store within walking distance of our neighborhood.

Best Regards,
