Dear Commissioners,

As a long-time resident of Ward 3 I am writing to express my support for the proposed Ladybird development project. The current project proposal, which would include a much-desired full-service grocery store, is far preferable to a matter-of-right/residential-only development, and I urge the Zoning Commission to approve Valor's design-review application.

It is regrettable that the project has been reduced in size by the usual anti-growth crew, who do not seem to understand that increasing housing supply - even in affluent neighborhoods - will ultimately enhance housing affordability throughout the Ward and the District.

Sincerely,
