The Applicant is proposing a site access scheme that is inconsistent with regulations (DCMR 24 § 605.9) and requires a waiver from the Public Space Committee. The Applicant is currently pursuing the necessary approvals from the Public Space Committee, and a decision is expected prior to the Zoning Commission hearing on June 5, 2017. DDOT will submit its full report, which will be consistent with the resolution of the curb cuts, after the Public Space Committee determination and before the Zoning Commission hearing.
