Dear Chairperson Hood:

Please accept this letter as a Supplemental Statement in Support of the Application of DC Central Kitchen (“DCCK”), a lessee of the property located at Lot 10, Square 613 (the “Property”), for a Modification Without a Hearing of Design Review (Z.C. Order No. 17-05, as modified by Z.C. Orders 17-05A, 17-05B, 17-05C, and 17-05D). The purpose of this supplemental statement is to update the Zoning Commission on the Applicant’s outreach to Advisory Neighborhood Commission 6D.

On April 21, 2025, DCCK and its counsel appeared at ANC 6D’s Business Meeting to present this Application and answer any questions that the ANC and community may have. Following the presentation, ANC 6D voted to support DCCK’s Application. No further comments or questions have been received by the Applicant or its team from ANC 6D or the community.

Sincerely,

Zachary G. Williams
