Re: Request for Waiver of Zoning Commission Hearing Fee for ZC Case No. 17-08: Providence Place project located at 601 50th St NE Washington, D.C. 20019

Dear Members of the Commission:

Pursuant to 11-Z DCMR § 1602, the District of Columbia Department of Housing and Community Development (“DHCD”) requests that the Zoning Commission (“Commission”) waive the portion of the hearing fee for the above-referenced application attributable to the construction of residential units that will be reserved as affordable housing. Based on the project characteristics presented to DHCD, this development would be eligible to receive funding from a recognized District of Columbia or federal government housing subsidy program. DHCD expects that this project will apply for financing through the Low Income Housing Tax Credit (“LIHTC”) and/or Housing Production Trust Fund (“HPTF”) programs if the Planned Unit Development (“PUD”) is approved.

The Planned Unit Development (“PUD”) application proposes 132,776 square feet of gross floor area, of which 132,776 square feet of gross floor area (100%) will be reserved as 100 units of affordable housing. All of the 100 affordable units will remain affordable for at least 40 years. Based on the attached assumptions and calculations, DHCD recommends a 100% hearing fee reduction, totaling \$9,296.

Because there is not yet an affordability covenant or subsidy contract associated with this property, it is essential that the assumptions upon which this recommended reduction is based be incorporated into the Commission’s order as a requirement enforceable by DHCD and the Zoning Administrator, if approved.

Thank you for your considerate attention to this matter. Please do not hesitate to contact me at 202-442-7210 with any questions or concerns.

Sincerely,

Polly Donaldson, Director
