Re: Z.C. Case No. 17-10 (The Warrenton Group – Consolidated PUD & Related Map Amendment @ Square 5196)

Dear ANC Chair & ANC/SMD Commissioner:

Pursuant to D.C. Official Code § 1-309.10(b), the Zoning Commission for the District of Columbia hereby gives you notice of the receipt of an application from The Warrenton Group (the "Applicant") for approval of a consolidated planned unit development ("PUD") and related map amendment from the MU-3 zone to the MU-5-A zone for property located in the northeast quadrant of the District at 5119-5123 and 5127 Nannie Hellen Burroughs Avenue, N.E. and 612 Division Avenue, N.E., also known as Square 5196, Lots 19, 37, 805, and 814. Please note that this case was filed electronically through the Interactive Zoning Information System ("IZIS"). You can access and file your report for this case through IZIS at https://app.dcoz.dc.gov.

Pursuant to Subtitle Z § 400.7, the ANC has the opportunity to file the attached Form 130 - ANC Setdown Report to provide feedback on whether or not the Zoning Commission should set down the case for public hearing. You have 30 days to file the ANC Setdown Form from the date the application was referred (Subtitle Z § 400.8).

Further, you will also receive notice of the hearing date at least 40 calendar days in advance. Pursuant to Subtitle Z § 406.3, if your ANC wishes to participate in the hearing, then its written report must be received at least seven days in advance of the public hearing. The report must contain the information required by Subtitle Z § 406.2, which is included at the bottom of this letter. That information is also included in Form 129 – Advisory Neighborhood Commission (ANC) Report, which is attached for your convenience and is the preferred mechanism to complete your report. Any written report received prior to the date of a Commission meeting to consider final action will be given "great weight."

Pursuant to D.C. Official Code § 1-309.10(d)(2), the Zoning Commission must wait 30 days, excluding Saturdays, Sundays, and holidays before it can make its decision on this application. However, as a practical matter, the Commission cannot make a decision that soon, because it must first hold a public hearing and, for those cases that require proposed action to be taken, the National Capitol Planning Commission is thereafter given thirty days to review the application.

Great weight does not mean that the Zoning Commission must defer to an ANC's view, but instead requires acknowledgement of the ANC as the source of the recommendations and explicit reference to each of the ANC's issues and concerns. It is therefore important that the written report not only indicate whether the

ZONING COMMISSION District of Columbia CASE NO.17-10 EXHIBIT NO.10 ANC supports or opposes the application, but that it also identify each issue and concern that led to the recommendation made.

If your ANC has not received a courtesy copy of the application from the Applicant, please notify us so we can assist you in obtaining a copy. If you have any questions, please do not hesitate to contact me at (202) 727-6311.

Sincerely,

nanon S. Schellin

Sharon S. Schellin Secretary to the Zoning Commission Attachment

Subtitle Z § 406.2

- 406.2 The Commission shall give "great weight" to the written report of the ANC, pursuant to § 3 of the Comprehensive Advisory Neighborhood Commissions Reform Amendment Act of 2000, as amended, that is received at any time prior to the date of a Commission meeting to consider final action including any continuation thereof on the application. All written reports shall contain the following:
 - (a) The case name and number;
 - (b) The date the public meeting of the ANC to consider the application occurred;
 - (c) A statement that proper notice of that public meeting was given by the ANC;
 - (d) The number of members of the ANC that constitute a quorum and the number of members present at the public meeting;
 - (e) The issues and concerns of the ANC about the application, as related to the standards against which the application shall be judged;
 - (f) The recommendation, if any, of the ANC as to the disposition of the application;
 - (g) The outcome of the vote on the motion to adopt the report to the Commission;
 - (h) The name of the person who is authorized by the ANC to present the report; and

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA NOTICE OF FILING Z.C. Case No. 17-10 (The Warrenton Group – Consolidated PUD and Related Map Amendment @ Square 5196, Lots 19, 37, 805, and 814) May 12, 2017

THIS CASE IS OF INTEREST TO ANC 7C

On May 5, 2017, the Office of Zoning received an application from The Warrenton Group (the "Applicant") for approval of a consolidated planned unit development ("PUD") and related map amendment for the above-referenced property.

The property that is the subject of this application consists of Lots 19, 37, 805, and 814, plus a portion of a public alley to be closed, in Square 5196 in northeast Washington, D.C. (Ward 7), on property located in the 5119-5123 and 5127 Nannie Helen Burroughs Avenue, N.E. and 612 Division Avenue, N.E. The property is currently zoned MU-3. The Applicant is proposing a PUD-related map amendment to rezone the property, for the purposes of this project, to the MU-5-A zone.

The PUD site is currently improved with a carry-out restaurant and vacant buildings, one of which is the historic Strand Theater, which the Applicant proposes to renovate in connection with the PUD. The Applicant proposes to redevelop the property with a mixed-use building that includes 86 residential units, all of which will be reserved for households not exceeding 60% of the area median income ("AMI"), and ground-floor retail and community space. The height of the proposed building will be approximately 68 feet and the maximum density will be 4.61 floor area ratio ("FAR"). The project will include a ground-level parking garage with 17 parking spaces, and it will meet the requirements of the Enterprise Green Communities standard for residential buildings.

This case was filed electronically through the Interactive Zoning Information System ("IZIS"), which can be accessed through <u>http://dcoz.dc.gov</u>. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
