Re: Supports for Zoning Commission Case No. 17-20

Dear Members of the Commission:

The purpose of this letter is to support of the proposed text amendment known as Zoning Commission Case No. 17-20. I have a two year old son, and have had first hand experience with the difficulty of finding convenient, quality, and affordable childcare. Also, as a parent of a child at Petit Scholars in Brookland, DC, I am familiar with the cost and the effect that zoning restrictions has on childcare centers and the working parents that rely on them.

We urge the Commission to approve the proposed corrections.

Sincerely,

Crystal Herman  
Ward 5
