Dear Members of the Commission:

I am in support of the proposed Zoning Commission Case No. 17-20 text amendment. I feel honored and privileged to be a parent of a child living here in DC. I have experienced the difficulty of finding quality childcare that is affordable and fit my needs logistically.

I am also familiar with the impact zoning restrictions have on childcare centers and the parents that rely on them. These difficulties trickle down to local business and workplaces that employ us as parents.

I, and hopefully many others like me, urge the Commission to swiftly approve the proposed corrections and reinstate the permitted use for childcare centers. Thank you for your time and consideration.

Sincerely,

Robert J. Sewell
