Re: Supports for Zoning Commission Case No. 17-20

Dear Members of the Commission:

We are writing in support of the proposed text amendment known as Zoning Commission Case No. 17-20. We are parents of a young child in DC and have had firsthand experience with the difficulty of finding convenient, quality, and affordable childcare. Also, as parents of a child at Petit Scholars in Brookland, DC, we are familiar with the cost and the effect that zoning restrictions have on childcare centers and the working parents that rely on them. These difficulties have a ripple effect to local businesses and workplaces that employ the affected parents.

We therefore urge the Commission to expeditiously approve the proposed corrections and reinstate the permitted use for childcare centers.

Sincerely,
