Re: Support for Zoning Commission Case No. 17-20

Dear Members of the Commission:

I am writing in support of the proposed text amendment known as Zoning Commission Case No. 17-20. As a parent of young children in DC, I have had firsthand experience with the difficulty of finding convenient, quality, and affordable childcare.

Also, I am familiar with the affect that zoning restrictions have on childcare centers and the working parents that rely on them. These difficulties have a ripple effect to local businesses and workplaces that employ the affected parents.

We therefore urge the Commission to expeditiously approve the proposed corrections and reinstate the permitted use for childcare centers.

Sincerely,

Patricia Alexander
