Andrea, after much digging, I managed to find copies of our checks from the time period when the payments were received. Unfortunately, the photocopies of the cashed checks are not very clear. What I can tell you is that on one check for \$30,000, the payor was As You Like It LLC but the address is illegible. Although the records do clearly show that the other \$30K check was received, there is no photocopy of it. I'm sorry I don't have more to share.

Bruce
