Hi Peter,

Richard Westbrook and I spoke this evening, and he asked that his name be added to the list of UNSW supporters on the party status application. Richard is cc'd on this email.

Thanks,

Andrea

Hi Courtney,

I already feel like you are part of UNSW! But perhaps you are not official. :) I've cc'd the Eicher's so they know about your support. If you would like to make a donation, please make the check out to United Neighbors of Southwest. Stephanie Eicher, who lives at 600 H Street, manages the UNSW account. You can give a check to her, or I can also come by and pick it up, or you can drop it off at my house at 504 H Street.

Thank you!

Dear Neighbors,

We have come to the point in our struggle against the proposed Erkiletian/Shakespeare development at 501 I St. SW when we need to apply formally to the Zoning Commission for “party status” in the case. If we succeed in gaining party status, it will give us a guaranteed voice and other rights when the Zoning Commission hears the case (at a date still to be determined).

As most of you are aware, we have already informally constituted ourselves as United Neighbors of Southwest (UNSW) to appear before our Advisory Neighborhood Commission, to submit petitions, letters, and other information to the Zoning Commission, to lobby our city councilman, and to raise funds to retain legal counsel and experts.

We have been advised that acting as a group to obtain party status as UNSW – rather than applying as individuals or smaller groups – would be viewed favorably by the Zoning Commission and would enable us to present a more coordinated and convincing case, thus improving our chances of success.

Our application for party status will be strongest if we can show that UNSW represents many neighbors. Please let me know if we can count you and your spouse/partner as neighbors represented by UNSW in this Zoning Commission case. Joining us in the current party status request will not prevent you from seeking party status on your own (or with another group) at a later stage if you choose to do so, or from withdrawing your support from UNSW at any point.

Since we hope to file our application for party status soon, I would appreciate hearing from you within the next few days.

Thanks for your support,

Peter
