Dear Commissioners,

I live in Spring Valley at 49th and Sedgwick and am in favor of the “Lady Bird” development. Past opposition to the project at the corner of 49th and Mass (where Millie’s and Crate and Barrel are located) has taught me that opponents to development in our neck of DC are resorting to confusing and misleading information to sway public opinion. This project is of reasonable scope and will bring helpful amenities to the neighborhood. I hope you can approve it.

Thanks,
