Dear Commissioners,

I am writing in support for the proposed Ladybird development project at the old Superfresh site. I grew up going shopping at Superfresh and a new grocery store in that location would be a huge benefit to the community above and beyond a matter-of-right residential only development. It's truly tragic that Palisades lost its opportunity to get a new Safeway as a part of a larger mixed use development that would have added needed housing to the community, because of a vocal minority. I urge the Zoning Commission to approve the Applicant's PUD application, so that the same mistake isn't made again.

Thank you for your consideration,
