Dear Zoning Commission:

Thank you for your service to our community. I am writing in support of the proposed redevelopment of the former SuperFresh Grocery Store site in the Spring Valley area of DC (also know as the VALOR proposal.) I am a resident and 11 plus year homeowner and taxpayer in the Spring Valley neighborhood, residing at 4921 Rockwood Parkway nw. I have never communicated with the DC Zoning Commission and have no pecuniary interest in the proposed redevelopment.

Our neighborhood needs a food market. The proposed site for the planned MOM's Organic Market has a long history of serving the community as a grocery store. Our neighborhood has suffered the closure of the former SuperFresh grocery market and, more recently, the closure of the Safeway in Palisades. We really need this proposed development.

Accordingly, I support the proposal pending before you. Thank you for your consideration.

Sincerely,

Charles D, Nottingham
