Dear Zoning Commission members and staff,
The Committee of 100 on the Federal City hereby requests that you reopen the record for ZC case 19-21 to permit C100 to submit one additional document to the record in this case. The document we wish to submit concerns what we perceive to be factual misstatements by OP concerning the Zoning Code and mischaracterization of public comments during these proceedings.

We thank you for your consideration in this matter.

Kirby Vining, Chair, Committee of 100 on the Federal City
