RE: 1333 M Street SE PUD Application; Zoning Commission Case 20-06

Dear Sirs:

Here are my GENERAL COMMENTS:

I express my gratitude to the ANC6B commissioners who have given their time and energy in carefully reviewing the PUD for 1333 M St SE.

I support the project "Friends of Capitol Hill Adult Day Center" as a community benefit to be included in the subject PUD. As a geriatric social worker, I see first hand how the limited availability of respite and community care for older adults with cognitive challenges impacts Hill families, drains them of time and financial resources, and isolates caregivers.

Please only approve the PUD if it includes this community benefit.
