**Re: Z.C. Order No. 20-08: Howard University Central Campus Plan;
Modification of Consequence to Add Back into the Campus Plan
Boundaries a Previously Extracted Property at 2711 Georgia Avenue N.W.
(Square 3058, Lot 53, the "Property")**

Dear Chairperson Hood and Members of the Commission:

I was asked by a community member to apprise the Zoning Commission of the following regarding the referenced zoning application. ANC-1E meets on September 25, 2024, one evening prior to the Zoning Commission meeting on September 26th when the referenced modification is schooled for a decision. At that time the full ANC will consider the recommendation of its Zoning and Economic Development Committee to support the University's modification. Due to this very tight timeframe, however, the full ANC may not be able to file its recommendation in time for the Zoning Commission to consider it.

Thank you in advance for your consideration.

Respectfully Submitted,
