GS Development Services NE, LLC (the “Applicant”), as authorized by Howard University (“Howard”), filed an application (the “Application”) on November 27, 2024, requesting further processing of the Howard University 2020-2030 Central Campus Plan (the “Campus Plan”). The Application was filed pursuant to Subtitle X §§ 101 and 106.1 and Subtitle Z § 302 (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all subsequent citations refer unless otherwise specified). The Zoning Commission’s approval of the Application would authorize the redevelopment of the property located at 2301 Georgia Avenue, N.W. (Lot 44 in Square 3064) (the “Property”) with a new mixed-use building consisting of student housing and services, retail, and recreation uses, which the Campus Plan identifies as the Fusion Building (the “Project”).

Additionally, to enable the proposed development, the Applicant is requesting special exception relief from (i) the plaza requirement in the MU-10 zone set forth in Subtitle G § 212.1; and (ii) the minimum short-term bicycle parking required for education use (college / university) set forth in Subtitle C § 802.1.
