THIS CASE IS OF INTEREST TO ANCs 1B and 1E

This is an application of The Howard University (“Howard”) for an amendment to the University’s 2020-2030 Central Campus Plan (Z.C. Order No. 20-08) (“Campus Plan”) and for further processing to permit the temporary installation and use of prefabricated, modular units which will be used for classroom, lab and administrative office space on the University’s Banneker parking lot at 2345-2525 Sherman Avenue, N.W. (Square 2882, lots 950-953 and 1037) (“Property”) pursuant to Subtitle X, Chapter 1 of the Zoning Regulations (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all references are made unless otherwise specified). The proposed modular units are needed for swing space to accommodate students and faculty who have to vacate their current accommodations on the campus.

Campus Plan Amendment

The University’s 2020-2030 Central Campus Plan contemplated that the Property would be developed with apartment style student housing. That long term use will remain unchanged. The amendment to the Campus Plan is to permit the installation and use of prefabricated modular units on the Property as an interim use.

Further Processing

Further processing of the modular units is also requested. The modular units include three existing modules located on the southern portion of the Property. They were installed on an emergency basis when the University's steam plant failed damaging the nearby nursing school classrooms. These units house classroom and administrative offices.

In addition, one new modular unit will be installed on the southern portion of the Property to house labs and associated research offices that will be vacated from the nearby, Thirkield Hall while Thirkield is renovated. Thirkield Hall was constructed in 1901 and houses the University's Physics Department.

The Property is currently used for University parking as well as parking for the adjacent 9:30 Club on a limited basis. The parking is underutilized, and some parking will remain on the Property to meet the University's needs. The 9:30 Club's parking needs will be accommodated on other nearby University property.

The interim use is proposed for a five year period.

How to participate as a witness – oral presentation
