I Morgane Clark I am testifying against the displacement of so many residents and beyond sw in hopes that my voice is heard. It should be 1/3 marketing 1/3 housing 1/3 how much residents can pay. I am exhausted with how much devastation I see daily with people I see that have been pushed out of their homes. I know I have a ton to learn about D.C. and residential law. I only hope that this a first step in letting my voice be heard to stop and prevent homelessness.

Thank you for your time in advance

Morgane Clark sw resident
