Good evening!

I'm very concerned about the hearing that is coming up on Monday (according to your website). I am a neighbor, and the sign you have posted says the hearing is "Thursday, October 19." October 19 is not a Thursday. I was planning to watch this hearing a week from today, and now realized that it is actually on MONDAY.

Is this posting valid? Why would a misleading day of the week be included?!

[And while we're on it--why on earth is this massive green sign formatted in such a way that you have to shrink down 8.5 x 11 print outs to a tiny 3pt font that is barely readable? Wouldn't this be something the Zoning Commission should reformat as a part of good government and easy communication with the public?]

Thank you,
David
