CQ Metro Land, LLC (the “Applicant”), filed an application on September 8, 2020, requesting that the Zoning Commission (the “Zoning Commission”) approve a Zoning Map amendment from “unzoned” to the Northern Howard Road (“NHR”) zone for Lots 1039-1041 in Square 5860 (the “Property”), consistent with the immediately adjacent property, in order to facilitate interim uses currently not allowed due to the Property’s lack of zoning and eventual redevelopment of the Property consistent with the Comprehensive Plan (the “CP”).

The Property consists of approximately 55,436 square feet of land area on Howard Road, S.E., in Ward 8’s Anacostia neighborhood, and adjacent to the Anacostia Metrorail Station.

The CP’s Generalized Policy Map designates the Property as a Land Use Change Area within the Central Employment Area.

CP’s Future Land Use Map (“FLUM”) designates the Property multiple categories:

- The western portion is designated for a mix of High Density Residential, High Density Commercial, and Institutional uses;
- The central portion is designated for Parks, Recreation, and Open Space uses; and
- The eastern portion is designated for a mix of High Density Residential, Medium Density Commercial, and Institutional uses.

¹ This case was previously scheduled for April 1, 2021.
