To whom it may concern:

I am writing in support of the proposed map amendment to convert the subject property at 2026 Jackson St NE from zone R-1-B to zone MU-4.

I live in the Woodridge neighborhood and my toddler attends Petit Scholars Daycare which is next to the proposed lot. I strongly believe it is a great location to add retail and housing to the neighborhood. If there was something easily walkable it would improve the quality of life for my family and those in the area.

Thank you,  
Katherine
