**Re: Map Amendment - 2026 Jackson Street NE (Square 4220, Lot 802)**

To Whom it May Concern,

I reside near the parking lot located at 2026 Jackson Street NE. My signature indicates my overall support for the proposed map amendment to change the zoning from R-1-B (existing zoning) to MU-4 (proposed zoning).

Mr. Ruel has met with me, and I understand that the Applicant is proposing a mixed-use project with ground-floor commercial space and multifamily units above.

I look forward to the project and ask that the appropriate government agencies support the application.
