Re: Z.C. Case No. 21-15, S Street Village, LLC (Zoning Map Amendment for Property Located @ Square 442, Lots 88, 108, 110, 810, & 811) (614 S Street, N.W.)

Dear ANC Chair & ANC/SMD Commissioners:

Pursuant to D.C. Official Code § 1-309.10(b), the Zoning Commission for the District of Columbia hereby gives you notice of the receipt of an application from the above-named Applicant for a map amendment for property located in the northwest quadrant of the District as indicated above. Please note that this case was filed electronically through the Interactive Zoning Information System (“IZIS”). You can access and file your report for this case through IZIS at <https://app.dcoz.dc.gov>.

Pursuant to Subtitle Z § 400.7, the ANC has the opportunity to file the attached Form 130 – ANC Setdown Report to provide feedback on whether or not the Zoning Commission should set down the case for public hearing. You have 30 days to file the ANC Setdown Form from the date the application was referred (Subtitle Z § 400.8).

Further, you will also receive notice of the hearing date at least 40 calendar days in advance. Pursuant to Subtitle Z § 406.3, if your ANC wishes to participate in the hearing, then its written report must be received at least seven days in advance of the public hearing. The report must contain the information required by Subtitle Z § 406.2, which is included at the bottom of this letter. That information is also included in Form 129 – Advisory Neighborhood Commission (ANC) Report, which is attached for your convenience and is the preferred mechanism to complete your report. Any written report received prior to the date of a Commission meeting to consider final action will be given “great weight.”

Pursuant to D.C. Official Code § 1-309.10(d)(2), the Zoning Commission must wait 30 days, excluding Saturdays, Sundays, and holidays before it can make its decision on this application. However, as a practical matter, the Commission cannot make a decision that soon, because it must first hold a public hearing and, for those cases that require proposed action to be taken, the National Capitol Planning Commission is thereafter given thirty days to review the application.

Great weight does not mean that the Zoning Commission must defer to an ANC’s view, but instead requires acknowledgement of the ANC as the source of the recommendations and explicit reference to each of the ANC’s issues and concerns. It is therefore important that the written report not only indicate whether the

ANC supports or opposes the application, but that it also identify each issue and concern that led to the recommendation made.

If your ANC has not received a courtesy copy of the application from the Applicant, please notify us so we can assist you in obtaining a copy. If you have any questions, please do not hesitate to contact me at (202) 727-6311.

Sincerely,

Sharon S. Schellin
Secretary to the Zoning Commission
Attachment

Subtitle Z § 406.2

- 406.2 The Commission shall give "great weight" to the written report of the ANC(s), pursuant to § 3 of the Comprehensive Advisory Neighborhood Commissions Reform Amendment Act of 2000, as amended, that is received at any time prior to the date of a Commission meeting to consider final action including any continuation thereof on the application. All written reports shall contain the following:
- (a) The case name and number;
 - (b) The date the public meeting of the ANC to consider the application occurred;
 - (c) A statement that proper notice of that public meeting was given by the ANC;
 - (d) The number of members of the ANC that constitute a quorum and the number of members present at the public meeting;
 - (e) The issues and concerns of the ANC about the application, as related to the standards against which the application shall be judged;
 - (f) The recommendation, if any, of the ANC as to the disposition of the application;
 - (g) The outcome of the vote on the motion to adopt the report to the Commission;
 - (h) The name of the person who is authorized by the ANC to present the report; and
 - (i) The signature of the ANC Chairperson or Vice-Chairperson.

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF FILING
Z.C. Case No. 21-15
(S Street Village, LLC– Zoning Map Amendment @ Square 442,
Lots 88, 108, 110, 810, & 811)
September 15, 2021

THIS CASE IS OF INTEREST TO ANCs 6E & 1B

On September 13, 2021, the Office of Zoning received an application from S Street Village, LLC (the “Applicant”) for approval of a map amendment for the above-referenced property.

The property that is the subject of this application consists of Lots 88, 108, 110, 810, and 811, in Square 442 in northwest Washington, D.C. (Ward 7), on property located at 614 S Street, N.W. The property is currently zoned RF-1. The Applicant is proposing a map amendment to rezone the property to the ARTS-2 zone.

The RF-1 zone is intended to: provide for areas predominantly developed with rowhouses on small lots within which no more than two (2) dwelling units are permitted. The RF-1 zone allows a maximum height of 35 feet or three stories; maximum lot occupancy of 60% for detached dwellings, semi-detached dwellings, row dwellings, flats, conversions of buildings or structures to an apartment house, and places of worship. For all other structures the maximum permitted lot occupancy is 40%. The minimum lot width for a row dwelling or flat is 18 feet (16 feet with Inclusionary Zoning (“IZ”)); 30 feet for a semi-detached dwelling, and 40 feet for all other structures. The minimum lot area for a row dwelling or flat is 1,800 square feet (1,500 square feet with IZ); 3,000 square feet for a semi-detached dwelling; and 4,000 square feet for all other structures.

The ARTS-2 zones are intended to: permit medium-density, compact mixed-use development, with an emphasis on residential development that encourages pedestrian activity, especially residential, retail, and entertainment uses, and to strengthen the design character and identity of the area by means of physical design standards. The ARTS-2 zone allows a maximum floor area ratio (“FAR”) of 3.5 (4.2 FAR with IZ, of which no more than 1.5 FAR can be devoted to non-residential uses). Notably, a building that includes 3.0 FAR or more devoted to residential use is entitled to a bonus of 0.5 FAR. Additional bonus density may be achieved through the provision of preferred uses. The maximum permitted height in the ARTS-2 zone is 65 feet (70 feet with IZ) and no limit on the number of stories. The maximum lot occupancy for residential uses is 80%.

This case was filed electronically through the Interactive Zoning Information System (“IZIS”), which can be accessed through <http://dcoz.dc.gov>. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.

INSTRUCTIONS

1. The ANC Setdown Form shall be made pursuant to this form. If additional space is necessary, use separate sheets of 8½" x 11" paper to complete the form.
2. ANC reports and any accompanying documents must be submitted to the record by using:
 - a. The Interactive Zoning Information System (IZIS) at www.dcoz.dc.gov;
 - b. By email to zcsubmissions@dc.gov for the ZC; or
 - c. In person or by U.S. mail addressed to 441 4th Street, NW, Suite 200-S, Washington, DC 20001.
3. Submission deadline is as follows; the ANC must file the ANC Setdown form no later than thirty (30 days) after the date the application is referred. No late filings or waivers requesting acceptance of late filings of this form will be accepted.
