I live in Harbour Square in SW, not far from these planned developments. I've learned there are plans to change the zoning regulations (MU-12) to allow higher construction limits (MU-10 and MU-9A). I'm very concerned about this change of zoning, especially next to a school, as well as the construction of yet more luxury apartment buildings!!!

For the sake of the neighborhood I urge you to keep the zoning regulations and prioritize more affordable housing and at least SOME open spaces in the area.

Thank you for your consideration.
