

Case Number: 22-11

Dear Commissioners, As a DC neighborhood resident, I am writing to express my support for the proposed development project at the Disabled American Veterans building at 807 Maine Ave SW. I believe that the current project proposal is far preferable to a matter-of- right development, given the plethora of public benefits the applicant is proposing as part of its application, and I urge the Zoning Commission to approve Mill Creek's PUD application.
