

Hello! My name is Samantha Suplee, and my husband and I live just underneath 1617 U St on Willard St. We wanted to express our full and enthusiastic support for upzoning in this area! In our opinion, the site is not being used to its full potential. We love our neighborhood for its density, and we're looking forward to more amenities (e.g. housing, a library, etc) that upzoning can bring! Don't worry about the naysayers -- just do it!
