PETITION A

PETITION TO STOP THE STEAL OF PUBLIC LAND

Don't Give Away Our 17th and V Street Police and Fire Stations to Developers

MAYOR MURIEL BOWSER, CM BRIANNE NADEAU and CM BROOKE PINTO's plan to tear down the police & fire stations at 17th and V Streets and give away our two-acres of prime public property (Buildings & Land are worth at least \$32M dollars) in a sweetheart deal to the city's usual connected cronies & real estate speculators is unacceptable.
LET'S END DC's CORRUPT LAND GIVEAWAYS!

SCAN ME

We the undersigned want the Mayor and City Council to act in the public interest regarding the future of our valuable public land & public amenities. Don't displace our first responders.

And, we demand:

1. Transparent, data-driven, community-engaging planning for the future of this important public site;
2. All 2-acres of the 17th and V St. property must remain in public control (no sale or long-term leases); &
3. The DC Zoning Commission not approve the proposed upzoning and that any proposed redevelopment must consider real impacts to nearby neighbors, must be compatible and in-scale with the surrounding low-rise community and must protect public safety.
