On January 18, 2023, the Office of Planning (“OP”) filed a petition and set-down report (the “OP Report”) on behalf of the Office of the District of Columbia’s Deputy Mayor for Planning and Economic Development requesting that the Zoning Commission (the “Commission”) consider a proposed amendment of the Zoning Map (the “Map Amendment”) for lots fronting on Square 175, Lots 826 and 827 (the “Property”), from the current MU-4 zone to the proposed MU-10 zone.

¹ The hearing for this case was previously scheduled for November 20, 2023. However, the Public Hearing Notice did not include the correct language regarding participation as witness and how to apply for party status. Therefore, on November 20, 2023, the Commission opened the hearing, and decided to continue the hearing to allow time for a corrected notice to be mailed to 200 footers and published in the *D.C. Register* that states the correct information about participation as a witness or party. The Commission also decided to consider the five previously submitted party status applications at the beginning of the January 8th hearing. Because of the extensive previous notice of this case, and pursuant to 11-Z DCMR § 103.12, the Commission decided not to require that the revised public hearing notice be posted on the property.
