Hello,

I am writing to provide testimony on ZC 23-02. I have lived on 14th Street, between T and U, for over three years and intend to stay in the neighborhood long-term. I strongly support the map amendment to change the zoning designation of 1617 U Street and 1820 V Street to permit “high-density mixed-use development with a balance of uses conducive to a higher quality of life and environment for residents, business, employees, and institutions.”

It's great to see the District filing a map amendment to upzone its own land and better serve our community. We desperately need more housing--and particularly more affordable housing--as costs continue to rise, and we lack several community resources, such as a library, that could be one of many uses for this space.

Please vote for ZC 23-02, and help keep Cardozo vibrant, inclusive, and affordable!

Thank you for your consideration,

Diana Schoder
