Dear Zoning Commissioners,

I ask this be included in the public record for ZC Case Number 23-02 and to sign me up to testify virtually to elaborate on my opposition comments below.

I live on R St NW near 17th (about 5 blocks from 17th and U St). I strongly oppose the proposed rezoning of the property at 17th and U.

I am not opposed to all development of this property. In fact, I would support development as envisioned by the current zoning plan.

We do not need high-rise luxury apartments built on property run by and for the profit of private developers; what we need is affordable apartments on property run by and for the benefit of DC residents and taxpayers.

The proposed rezoned area would destroy a livable, walkable neighborhood and instead create an area that is a combination of gentrification and homelessness. If you want a city of haves and have-nots you will get what you want.

Signed,
Barbara Meeker
