Dear Commissioners,

I encourage you to support the zoning changes the Office of Planning is seeking for Chevy Chase DC. I've lived on Upton St., NW for almost 14 years and frequently visit the Library, restaurants and retail establishments in Chevy Chase. I want to see our public officials do all they can to increase the diversity of our Connecticut Ave. neighborhoods and to offer options for a variety of households and income levels in upper NW DC. The zoning changes at issue will enable the creation of more homes, leading to more support for businesses, more diversity, and more activities and opportunities on upper Connecticut Ave.

Thank you for working to create vibrant and adaptive communities in DC.

Barbara Kraft
