Dear Chairman Anthony Hood,

As a 40 year resident of Chevy Chase and a 54 year resident of DC, I want to express my support for the decision by the DC Zoning Commission in Case No. 23-25, which rezones parcels along Connecticut Avenue from Chevy Chase Circle to Livingston Street, NW.

I was a member of the Community Advisory Committee for the Small Area Plan and know that OP solicited and utilized community input throughout the process. The zoning changes are consistent with, and implement the policies of the Comprehensive Plan, the Chevy Chase Small Area Plan, and the Housing Equity Report.

Overall, these zoning changes will foster a more walkable street environment along Connecticut Avenue. The zoning will also guide future potential redevelopment that relates sensitively to its neighbors, foster space for small businesses, and add mixed income housing. For the public library site, the rezoning will facilitate its planned redevelopment with a state-of-the-art new library, community center, and public spaces. In addition, it will also help add much needed permanently affordable housing to this public site.

I urge the Commission to support this rezoning to create a more vibrant and inclusive Chevy Chase.

Thank you for your efforts.

Sincerely,
Ma Jamie Butler
