Dear Commissioners,

Zoning case 23-25 was set down improperly; Chevy Chase residents deserve their rights to a contested case, so that we can present evidence and cross-examine witnesses, and so that we will have the right to appeal a zoning decision.

I am writing to let you know that I am adamantly opposed to giving our public land to private developers. Why would anyone be in favor of this? It makes no sense on any level and is egregious. How would having an 80 foot tall building, filling practically the entire site, benefit the residents of 20015? Selling out to developers is not the answer for the residents of 20015.

I have lived in 20015 for 48 years and want to have my voice heard on this issue.

Thank you in advance for doing the right thing.

Sincerely

Elizabeth Patton
