I am writing in opposition to the re-zoneing of "New City DC" from mix-use (MU-5B) to industrial use (PDR-1).

I live in the arboretum community with my husband and 2 year old daughter and feel that it will further isolate our community.

I feel it will negatively impact our standard of living.

In an ideal world I would you love to see sporting facilities (an indoor pool for example) to help the local residents keep fit. A local shop, coffee shop, bakery etc would be amazing.

Thank you for your consideration
