Dear Zoning Commissioners,

Every single community group that's weighed in opposes this proposal: both ANCs, multiple civic associations, Councilmember Parker, and dozens of residents. The Office of Planning is the only one supporting it, and even that report doesn't seem to address the actual concerns raised.

It feels like OP didn't read what people wrote, and I wonder if we live in anything resembling a democracy. I ask you to reject this case and send it back for real community engagement.

Sincerely,

Micah Haskell-Hoehl
