

TIM BRAGAN

Principal

MKSK

With a background in both landscape architecture and architecture, Tim specializes in designing landscapes that require a careful integration with buildings.

Tim has been deeply involved in both architecture and landscape architecture for his entire career, spanning over 25 years. He studied Architecture and Architectural History as an undergraduate and practiced architecture for several years before pursuing earning graduate degrees in both Architecture and Landscape Architecture. He worked in San Francisco from 2002 – 2009 on projects of various scales, including college and hospital campuses. More recently, Mr. Bragan has designed a wide range of urban projects, including landscapes for complex urban mixed-use developments, public institutions, and green infrastructure related projects.
