Dear Commissioners,

I write in support of Donohoe's PUD at 4201 Garrison Street NW, case 24-12.

I live approximately one block from the site and totally support the construction of a 126-unit apartment building there. The close proximity to the Metro in an area that sorely needs more housing makes this an idea project. I'm also active in Washington Interfaith Network's Ward 3 Affordable Housing Group, and support this development because of the promise of 33% affordable units. This is exactly what our neighborhood needs.

Susan C. Price
