Re: ZC Case No. 24-14 – Emory United Methodist Church (“Emory”) Letter of Support

Dear Commissioners:

Please allow this letter to serve as Little Bird Community Acupuncture’s letter of support for Emory’s request to rezone their property located at 1459 Columbia Road, NW from the RA-2 zone to the RA-4 zone.

Little Bird Community Acupuncture is a community acupuncture clinic located in Adams Morgan. Our mission is to provide high quality acupuncture treatment at affordable rates in a supportive community setting.

We are excited about the Emory project and we support Emory’s efforts to rezone their property because doing so would significantly contribute to the overall affordable housing supply in the Columbia Heights neighborhood and would positively impact the neighborhood’s vibrancy. For these reasons, we urge the Zoning Commission to approve Emory’s request to rezone their property from the RA-2 zone to the RA-4 zone.

Sincerely,

  
Sara McGaughey, L.Ac.
