233 residential units, with an approximate floor area ratio (“FAR”) of 4.2 and a measured building height of approximately 75 feet (the “Project”).

The Office of Planning filed a setdown report dated February 3, 2025, recommending that the Commission set the PUD Application down for a public hearing. The OP setdown report states that on balance, the proposal would not be inconsistent with the maps and policies of the Comprehensive Plan, including when viewed through a racial equity lens. At a public meeting on February 13, 2025, the Commission set down the PUD Application for a public hearing. The Applicant filed its prehearing statement in the case on April 7, 2025.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, Subtitle Z, Chapter 4.
