I live at 600 Girard ST NE and I am writing to support the development at 901 Monroe St. I am deeply disappointed that past actions by a very vocal tiny minority of residents in the area have blocked this development. Approving this development as quickly as possible is a small step in righting that significant mistake that has kneecapped the ability of retail in that area to develop.

I welcome progress to resolve the issues related to retail presence on the ground floor.

Please get in with the approval. Delay is suffocating retail in this area.

Many thanks,
Jon Balcom
