

**LILIAN G. NOYA, AIA, LEED AP BD+C, WELL AP**

Registered Architect – DC

Washington, DC | liliangnoya@gmail.com | 561-985-2770

---

**PROFILE**

Licensed architect with experience supporting complex multifamily, mixed-use, and institutional projects. Skilled in consultant coordination, construction documentation, and assisting senior staff in project administration. Actively growing project management knowledge with the goal of contributing more strategically and providing innovative impact in collaborative, cross-disciplinary environments.

---

**PROFESSIONAL EXPERIENCE****Associate Architect - WDG Architecture – Washington, DC****Junior Project Architect | 2022–Present**

- Lead coordination and development of construction document sets for multifamily and higher education projects.
- Oversee production and coordination of contract deliverables such as field surveys, design drawings, construction documents, and presentation exhibits.
- Participate in QA/QC reviews of all deliverables, including coordination and review of consultant documents, drawings, and specifications.
- Assist in coordinating with engineers, consultants, and contractors to meet client goals and schedules. Work engineering consultants to integrate MEP systems and coordinate issues.
- Provide administrative support for project teams, including preparing meeting agendas and minutes, updating project trackers, managing permit applications and checklists, and generating project status reports.
- Mentor junior team members and ensure alignment with project goals and firm standards.

**Junior Construction Administrator | 2021–2022**

- Oversaw daily construction administration activities, ensuring alignment between design intent and field execution.
- Reviewed RFIs, submittals, and shop drawings; issue Proposal Requests, and Change Orders.
- Supported feasibility and value engineering assessments to maintain project schedule and budget.
- Acted as key liaison between contractors, consultants, and internal design team.
- Collaborated with senior PM's to execute technical reviews and resolve field conditions.

**Staff Architect | 2019–2021**

- Produced detailed design drawings and construction documents in Revit for high-density housing and academic projects.
  - Collaborated with sustainability leads to integrate energy-conscious design strategies.
  - Contributed to 3D modeling and design studies during early project phases.
- 

**EARLIER EXPERIENCE****Architectural Designer**

Bignell Watkins Hasser Architects – Annapolis, MD | 2018–2019

- Developed concept designs and visualizations for commercial, retail, and mixed-use clients.
- Prepared SD, DD, and CD sets under the supervision of senior architects.
- Attended client meetings and contributed to presentations.

### **Architectural Associate**

New Vision Properties – Washington, DC | 2014–2018

- Principal designer for single-family and small multi-family residential projects.
- Navigated permitting, zoning, and agency approvals for projects.
- Managed interns and led coordination meetings across all phases.

### **Interior Design Intern**

The Design Club – Boca Raton, FL | 2012–2014

- Supported FF&E selection, design boards, and 3D renderings for residential interior projects.
- Assisted in preparing schematic design, design development, and construction document sets.

---

## **LEADERSHIP & PROFESSIONAL ENGAGEMENT**

- **Christopher Kelley Leadership Development Program (CKLDP) Scholar**  
Selected as one of 16 emerging professionals in the Washington, DC region to participate in AIA DC's prestigious year-long leadership program (2020). CKLDP explores critical topics such as entrepreneurship, client development, community engagement, and industry innovation—enhancing leadership skills and collaboration in architecture and allied professions.
- **CKLDP Communications Advisor (2021)**  
Supported the next CKLDP cohort by advising on programming, and communications.
- **Mentorship & Internal Development – WDG Architecture**  
Provided ongoing mentorship to junior staff in preparation for architectural licensing exams, professional development, and business development strategies. Fostered a culture of growth, support, and knowledge-sharing within the firm.
- **Volunteer Event Coordinator – WDG Architecture**  
Initiated and organized bi-annual firm-wide volunteering events, strengthening team engagement and community partnerships.
- **Active Industry Engagement**  
Pursue continuous growth through participation in professional organizations and events including AIA, ULI, NAIOP, and the DC Real Estate Group.
