Hello,

I am a Brookland resident who lives only a few blocks from the 901 Monroe lot. I wanted to email in support of the zoning commission proposal to bring affordable multi-family housing to the lot. I love the Brookland neighborhood, but it is lacking in dense affordable housing that could help make the community more vibrant and inclusive, as well as attract new businesses and development with an influx of residents. The lot that currently sits at 901 Monroe is ugly and wasteful, and I would be thrilled to see new accessible housing option in the community.

This proposal would be a win for my community!

Thank you,

Allie Judge
