Dear Cedar Tree Academy PCS,

I am writing to express my enthusiastic support for Cedar Tree Academy's request for grade level expansion and the construction of a new school facility in Ward 8. As a proud member of this vibrant community for over 25 years, Cedar Tree Academy has consistently demonstrated an unwavering commitment to academic excellence and the holistic development of its students.

The school's impressive track record speaks volumes. Year after year, Cedar Tree has achieved high academic performance metrics. This success is a testament to the dedicated faculty, engaged families, and the resilient spirit of its students. The expansion will allow Cedar Tree to continue nurturing our young scholars, providing them with the quality education they deserve and further fostering a love for learning.

Moreover, the proposed new facility will enhance our community's educational landscape by providing a modern, safe, and inspiring environment for students. It will allow for the incorporation of innovative teaching practices and extracurricular activities that will benefit our children and strengthen the community ties that Cedar Tree Academy has cultivated over the years.

As we look toward the future, it is vital that we invest in our schools and ensure that they have the resources necessary to meet the needs of our growing population. I firmly believe that this expansion will not only benefit the students of Cedar Tree Academy but will also enrich Ward 8 as a whole, making it a beacon of educational excellence.

Thank you for your commitment to our community and for your ongoing efforts to provide an exceptional education for our children. I wholeheartedly support Cedar Tree Academy's request and look forward to seeing the positive impact this expansion will have on our students and families.

Warm regards,

Commissioner Robin McKinney 8A06
