RE: Transfer of Jurisdiction Reservation No. 495

Dear Mr. Anderson:

I write regarding your May 8, 2024, letter requesting a transfer of jurisdiction of Reservation 495 between the National Park Service and the District of Columbia.

The National Park Service is supportive of the re-transfer of Reservation 495 to amend the allowable use so that the District can construct a new men's shelter and to expand the existing forest conversation easement.

We look forward to working with Cozen O'Connor to further this work.

Sincerely,

Tammy Stidham
Associate Regional Director
