The Property is located in the RF-1 Zone District.

The Applicant proposes to renovate and expand the existing building to convert it from a rooming house with 57 units to an apartment building with approximately 61 apartments (the “Project”). The Project will contain approximately 26,075 square feet of gross floor area and will be approximately 50 feet tall (i.e., within the height limit permitted in the RF-1 zone under the Voluntary Design Review process).
